THESE TWO GREAT CAUSES**

**THE KEANE FOUNDATION**

The Keane Foundation created the 9/11 Memorial Sports Center at the Pitkin Community Center, which opened in 2008. Dick Keane and two other Wethersfield men, David Winton and Jeffery Bitner, died in the World Trade Center attacks of September 11, 2001. The 9/11 Memorial Sports Center is a wonderful way to commemorate their very positive lives and the lives of all those who died that day. Your support and donations will continue to sustain after school programs and computer classes, movie nights for children and families, fitness programs for all ages, and the ongoing purchase of equipment and enhancements to the facility.

**WETHERSFIELD CHAPTER  
UNICO NATIONAL**

This chapter of Unico National was established in 1977 in an effort to bring the good works of Unico to our locality. To date, the chapter has donated over \$600,000 to various charities and causes, mostly on a local level. A major portion of this money has gone toward scholarships for local high school graduates going to college. Support has also gone to local youth activities, needs of the elderly, health appeals (mental health, cancer research, visiting nurses, etc.), high school graduation night, cultural activities and special donations to Wethersfield and Rocky Hill.
